The October 2023 Minutes were approved.

Clarence Richardson discussed the status of Nomination Papers for Ward Committees. Wards 3 and 4 need additional members. Clarence will work with these wards to find new members. Future plans for focused outreach in Wards 3 & 4 will be discussed. Nomination papers are due on Thursday 11/9/2023.

Andrew Fintzel gave an update on the November 16 program. The housing panel was postponed because participants are not available at this time.

Instead there will be a timely presentation by the MA chapter of Moms Demand Action by Ms. Rina Schneur about the scope of the gun violence epidemic in the US. There will also be a presentation on the House bill H4139 An Act to Modernize Firearm Laws. WCAC has a conflict for this date. We will try to record the program ourselves.

Meeting was adjourned at 7:15p
